FIRST UNIVERSITY SDA CHURCH GROW GROUP
LOVE COLLECTIVE: CONTEMPLATION AND ACTION
 Who: Anyone interested in forming a collective that is ready to respond in love to the needs of our church and communities. This includes youth and all ages of adults, families, newly married, and single people.
 What: We're living in a time where empires legislate fear and hate, where exclusion becomes the norm. The real work of the church is to show our communities another way, The Way of Love in Action, just like the early church did under the Roman Empire.
 Join us as we pray together, seek inspiration by people who have come before us and used their callings to respond in love, and plan together how we can tangibly create a community of love, belonging, and safety for those who are most vulnerable among us. This will be a group of communal prayer, group study, AND collective action.
DATES: MARCH 28, APRIL 19, MAY 9, JUNE 13
