School

As the new school year approaches, we are excited to launch a Back-to-School Drive aimed at supporting our dedicated teachers who give so much of themselves to educate and inspire our children. This initiative is an opportunity for us, as a church family and community, to show appreciation and lighten the financial load many educators face at the start of the school year. Click on the link to see how you would like to help (<http://bit.ly/44sRls7>).
